TRIBUTE TO AMERICORPS

HON. HENRY A. WAXMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 20, 1999

Mr. WAXMAN. Mr. Speaker, today I would like to pay tribute to over 100,000 individuals who have served the American community through their participation in Americorps. As this program completes its fifth year, I would like to recognize some of the outstanding work that Americorps members have been doing in the Los Angeles area.

Working with Building Up Los Angeles, over 100 Americorps participants a year serve thousands of young people from kindergarten through high school at 29 sites including public schools, churches and community centers. Corps members tutor and mentor children during the school year and deliver academic support services when school is out; provide health education and organize teen pregnancy and domestic violence prevention programs; and encourage residents to have pride in their communities through neighborhood clean-up and beautification projects and public art projects. Building Up Los Angeles serves East Los Angeles, Central City South, Hollywood, Northeast Los Angeles, Pico Union, Koreatown, the San Fernando Valley, Picoima, South Central, and Watts.

Over 100 individuals with the Southern California Environmental Resources Management AmeriCorps Program have been working to protect our environment by distributing over 30,000 water-conserving devices, such as low-flow showerheads, to residents in the Compton area and other communities in the greater metropolitan basin. The program, which is administered by the Executive Partnership for Environmental Resources Training (ExPERT), will mean a savings of over 4 billion gallons of water per year over the next ten years.

In Bellflower, California, approximately 65 Americorps tutors work with Project REACH (Reading Excellence Achieved with Community Help) and Project APPLE (After School Program Promoting Learning and Enrichment), which provide academic support and enrichment for 1300 students in grades K-8, with emphasis on grades three and four. This year, additional opportunities to serve through Project REACH and Project APPLE included a series of literacy programs designed to promote parent involvement; helping to organize the Special Olympics; assisting with a Community Immunization Project; planning activities for children in the performing arts; providing nutrition education; and developing initiatives that help children gain teamwork and leadership skills.

Through their work, Americorps members are helping to improve neighborhoods and schools, develop communities, and protect the environment. I am pleased to have this opportunity to commend and thank those individuals who have served through the Americorps program and made such valuable contributions in the Los Angeles area.

POTOMAC HERITAGE NATIONAL SCENIC TRAIL

HON. STENY H. HOYER

Wednesday, October 20, 1999

Mr. HOYER. Mr. Speaker, I rise to mark the occasion of the Third Annual Caucus for the Potomac Heritage National Scenic Trail to be held October 22 at Oxon Hill Manor, in my District.
